Excellent start. Good effects throughout. 1st repeat, excellent cornets, I can hear all the parts & the detail. Well done. The music flows well - this is top class playing. Everything fits together well, fabulous bass end. Well done. Two: again fabulous sounds, and well done cornets. Last repeat - well done euph. P.P. - good rhythmical style with top class dynamics. A fantastic performance, shame about the rain! Enjoy your night.
